

Mountain Backpack Enrollment Form
2017-18

Mountain Backpacks is a supplemental food program whose mission is to help students stay full and focused. Each Friday your child will take home a backpack filled with breakfast, lunch and snacks for the weekend. Your child returns the bag to the school on Mondays and we fill it back up throughout the school year! Fill, eat, and repeat, it's that simple. There are no qualifications to enroll and only contact information is requested. You may use the program on a weekly or as needed basis. To help over extended school breaks families have the option of taking home grocery boxes and holiday meals. Fill out the form below and return it to your school office or email shelleyharmon89@gmail.com. If you have younger/older children in the home and would like them to receive a backpack also please list their name and ages below. If you have further questions call Shelley Harmon at 303-653-2732.

Child's Name	School/Grade/Age	Food Allergy?

To keep updated on the program and for more information visit our website at www.mountainbackpacks.org and our Facebook page at Mountain Backpack Program.

What is the Mountain Backpack Program? We are a local nonprofit whose mission is to help keep students full and focused throughout the school year. We provide weekend backpacks filled with food for elementary school children and we have food pantries at EMS and EHS to meet the needs of our older students. Teachers can also request weekly snacks for their classrooms.

Who qualifies? There are no qualifications to enroll. If your family is struggling with having an adequate amount of food or you are having to make tough choices, let us help.

How to enroll? Please fill out an enrollment form and return it to your school office or contact shelleyharmon89@gmail.com. First week of backpacks will be sent home on Friday August 18th.

How to help? Visit our website at www.mountainbackpacks.org. Volunteers are needed to help pack weekly backpacks and to organize and collect food donations. Monetary donations are 100% tax deductible. MBP is a service project of the Evergreen Rotary (501c3) and Evergreen Lutheran Church. Thank you in advance for your support.
